

# 2012 Columbus Crew Winter Clinic In association with the Robert K. Fox Family YMCA

After a very successful first year, the Columbus Crew Winter Camp in association with the Robert K. Fox Family YMCA in Lancaster returns for a second year. The camp is designed through the Columbus Crew curriculum to give all players, both recreational and competitive, an off-season tune up of their technical and tactical skills. Improving each year and based on the Crew Curriculum, campers will be grouped by age and ability levels with a camper to staff ratio of 15:1. The Columbus Crew Technical and Youth Staff will encourage learning by giving each individual the very best examples of what it takes to be a quality soccer player, dependable teammate, and good citizen.

WORK HARD. PLAY HARDER.
